# Earth in Space

## Understanding Main Ideas

Use the following figure to answer questions 1 through 3. Write your answers on a separate sheet of paper.

1. In the diagram, what season is it in North America?
2. Would a person at each of the points A, B, and C see the sun? If so, where would the sun be in the sky?
3. Which is a person standing at point B seeing, sunrise or sunset? Explain.

## Building Vocabulary

Match each term with its definition by writing the letter of the correct definition in the right column on the line beside the term in the left column.
